SUMMARY:

As a college graduate with a passion for math, physics, and astronomy, I am eager to contribute my knowledge and skills to a dynamic organization. With a high level of attention to detail and a talent for working with my hands, I am well-suited to roles that require precision and technical proficiency. As an introverted individual, I thrive in environments that value teamwork, collaboration, and inclusivity. I am open for a challenging role that will allow me to further develop my skills while making a meaningful contribution to a company's success.
